Remember these medicine safety tips:

- Medications can make you sick if you take too much.
- Remind your parents to lock up all poisons and medicines.
- Only take medicine from a parent or trusted adult.
- Throw away outdated medicines.
- Wear glasses and turn on lights when taking or giving medicines.
- Do not take medicines by yourself – ask an adult for help.
- Do not ever take medicine from a stranger.
- Do not ever call medicine “candy.”
- Be careful with abbreviations!
  
  Tablespoon = Tbsp
  Teaspoon= tsp
