

# Tic-tac-toe

## poison prevention marking game

### Rules

- Mark an “X” over the things that you think may be a poison.
- Win by connecting three “X”s in a straight line. There will be two chances on each board.

### Answer key

**GASOLINE** is a dangerous poison. Never touch or taste it.

### PLANTS AND FLOWERS

Pretty, but poisonous! It's hard to tell which are poisonous and which are not, so it's best not to touch, taste or smell.

**MUSHROOMS** can be poisonous! Never eat mushrooms that are growing outside.

**BERRIES** can make you sick! Don't pick or eat berries that are growing on bushes or trees.

**MEDICINE** can be a poison! Only take medicine from a grown-up who loves you. They know which medicine will help you.

**APPLES** are not poisonous. Apples are good for you!

**ICE CREAM** is not a poison. It is yummy!

**BREAD** is not a poison. Sandwiches are great for mid-day energy!

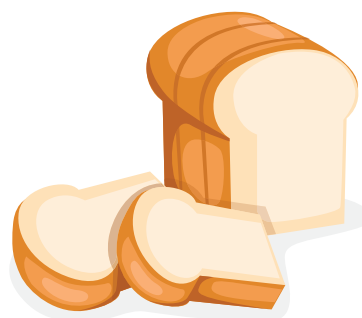

**MILK** is not a poison. It makes your bones strong!
