Poison Center**

It's National Poison Prevention Week!

Not sure who to call with a poison question or emergency?

Here's a guide of who to call and when:

**National Poison
Prevention Week
March 15-21, 2026**

Who should I call?

**Poison
Help line**

or

911

**National Poison
Prevention Week
March 15-21, 2026**

**If you have a question about
poisons or if someone:**

**Took the wrong
medicine or too much.**

**Swallowed something
you're not supposed to.**

**Breathed in (inhaled)
something harmful.**

Got poison in the eyes.

Got poison on the skin.

**Call the Poison
Help line at
1-800-222-1222**

**POISON
HELP**
1-800-222-1222

National Poison
Prevention Week
March 15-21, 2026

Call **911**
if someone

Is having a seizure.
